

## Arti et Sedibus

Arti et Amicitiae, Amsterdam, 2003  
wood, floor coating, 4.30 x 12 x 18 m.

An installation of stretcher bars piled up in the centre aisle to serve as seats. These stretcher bars are a reference to 19th-century picture galleries and to the dimensions of the room itself. This installation was created on the occasion of the 'Zetel' [Seat] initiative.
