

De Fabriek

De fabriek, Eindhoven, the Netherlands, April 2007

18 x 20 x 4 m. spotlights, PC, controller, amplifier .

Exhibition: "de Altijd Prijs Prijs 3 [the everyone is a winner award]"

PETER VINK

An installation based on the 18 columns in the basement of De Fabriek [art centre] in Eindhoven. The columns were illuminated by 46 spotlights connected to a computer-controlled relay for which I had written a special program. The sound of the clicking relay was augmented by an amplifier and could be heard everywhere in the room.
